

The Crucible - Tech Week - Food

Hi Theater Parents!

Tech week will be here before we know it! Tech week is an intensive week where the students spend long hours perfecting the show into the final product that we will get to witness at the week's end. The kids spend the day Saturday (November 2nd), Monday (November 4th), and Tuesday (November 5th) doing "tech week".

The tech week food crew feeds the cast and crew during the Saturday (November 2nd), Monday (November 4th) and Tuesday (November 5th) rehearsals and between the matinee and evening performances on Saturday, November 9th.

On Monday and Tuesday, after school snacks are provided before the rehearsal and then dinner will be between the rehearsal and the notes from the rehearsal. This gets to be their social time. Although performing is wonderful; rehearsing is hard and stressful.

We need help with serving, baking and other miscellaneous things. Feel free to sign up to do, or bring as many things, as many times as you want. We can use all the help we can get!

If your student has any food allergies, please feel free to contact one of us. Please sign up to help at the following website:
